RE: Year 11 Targeted Progress Review Meeting.

Dear Parents/Carers

We will be holding a year 11 progress review meeting on Monday 28th Feb, here at school, from 14.30 – 17.30.

The purpose of this meeting will be to discuss your child's progress, and the exams they will be entered for in the summer. We have been tracking their progress since September and so this will be the ideal opportunity for you to find out how they are doing from their subject teachers.

Form tutors will be in contact to arrange an appointment slot for you.

We would be grateful if you could make every effort to attend as this is such an important time in your child's education and the next few months will have an impact on your child's next steps into Post 16 education or employment.

Discussions will include student's attendance, attitude to learning and progress in the subjects for which they will be entered for exams.

Pupils should also be present to understand what is expected of them to transition successfully to their preferred post 16-education destination.

We very much look forward to seeing you and your child at your arranged meeting, and thank you for your continued support.

Mr S. Cooksey,
Deputy Headteacher
